To Whom It May Concern:

Greetings! This letter is to serve as a personal recommendation for Corey Jaggie.

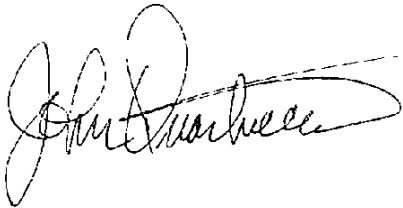

Through Golden Age Restoration, Inc., and personally, I have used Corey Jaggie/CJ Plumbing for numerous projects, ranging from half-million dollar sites to \$20,000 rehabs.

We have used him for outside water service, outside drain issues, and even for nickel-and-dime interior repairs. We find Corey and his team to be very timely, very efficient, easy to work with, and he and his team get along great with other sub-contractors on-site.

We highly recommend Corey Jaggie for any of our plumbing needs—as a matter of fact, even on jobs that Golden Age Restoration doesn't acquire, we still recommend Corey and his company to property owners. We have used Corey and his team for the last four years exclusively for any of our plumbing needs.

We hope that this letter helps to highlight some of the outstanding work Corey performs. Thank you kindly for your time and attention regarding this.

Sincerely,

A handwritten signature in black ink, appearing to read "John Quartuccio", with a large, sweeping flourish extending to the right.
