
PARAMOUNT PROPERTY DEVELOPMENT

February 10, 2010

To whom it may concern,

Paramount Property Development was formed in 2004 and has been working in the City of St. Louis since that time. Corey Jaggie has done nearly all of the plumbing on my jobs since the beginning. He has always demonstrated a very strong knowledge of the plumbing trade and has always done a quality job. He has done jobs of all sizes for me ranging in scope from minor repairs to complete new systems in 27 unit condo complexes. He has my full recommendation. If you need any additional information from me please do not hesitate to contact me.

Sincerely yours,

Kyle Miller
