Re: Letter of Reference

To Whom It May Concern:

It is my understanding that Mr. Corey Jaggie is up for review to sit for the master plumber examination. I would like acknowledge Corey's ability as a plumber. I have worked closely with Corey as a general contractor for the last three years and have awarded him over \$500,000.00 of subcontract work. Corey's knowledge of means, methods, and plumbing code have been an invaluable resource over the last few years for both myself, and my clients. His ability to accurately place and size drainage and supply, as well as, solve problems immediatly in the field have to led to success of all of our ventures. My experience with Corey as a professional has been outstanding and hope to continue to work with him in the future.

If you have any questions regarding Corey's performance or professional demeanor, please do not hesitate to contact me.

Sincerely,
